Basic professional educational course for the full mediator

For full certified mediators the accredited basic professional educational course is voluntary. All full certified mediators have to pass ADR International Register knowledge AND skills test.

Basic professional educational course if ≥ 12 years of professional experience

If the candidate has, at the full discretion of ADR INTERNATIONAL REGISTER, over 12-years professional experience within the scope of requested certification an exemption can be made for the ADR International Register accredited basic professional educational course and related knowledge & skills tests.

ADR INTERNATIONAL REGISTER accredited basic professional educational courses are organized and operated by ADR INTERNATIONAL REGISTER Accredited Agencies. The validity of educational courses and tests are regulated: unlimited for a completed educational course, five ongoing years for knowledge tests and one years for skills tests.

ADR INTERNATIONAL REGISTER KNOWLEDGE TEST MEDIATOR

The knowledge test is available as online web based open source examination. Under conditions it is possible to participate in a (personal) live knowledge test with an assessor. The knowledge test is operated by ADR International Register and ADR Accredited Agencies.

ADR INTERNATIONAL REGISTER SKILLS TEST MEDIATOR

The skills test is organized as video assessment or live assessment. Application is only allowed if all knowledge tests are completed and passed. Live assessments options are with or without professional actors, real-time assignment with actual principals.
